To

The Chief Secretary to the
Government of Mysore

Sir,

With reference to your letter
No 2504 dated 1st August 1893 and
8259
- requesting a report on the result of
action taken in regard to the sub-
ject No 513 discussed at the meeting
of the Representative assembly held
in October 1892, I have the honor to
state as follows:—

2. The site near the Kaki Railways
Masjid formerly a Court stand as
described in the enclosed copy
of Government notification No 453
dated 3rd March 1891 was required
2444
for a public purpose viz for in
proving the frontages on the north of
the Kaki Railways road and the

Sanitation of the neighbourhood
in the city of Delypore. As the owners
thereof would not agree to part
with it amicably reference was
made under the Land acquisition
act to the District Judge at Delypore
for an award of proper compensa-
tion. The persons who had been
made defendants in the Land
acquisition case refused to state
the nature and particulars of their
claim to compensation before the
Court preferring to represent their
case to the Dewan. The Court pro-
ceeded with the case notwithstanding
and passed an award for Rs 643
with the usual 15% on account
of compensation payable for the
site acquired (Vide judgement in
C.S. No. 16 of 1891 of 17 August 1891).

3. Some Mohomedans interested
in the masjid applied to the Dewan
in May 1891 for the grant of a
monthly stipend equivalent to the

income which they were receiving from the Cant stand for the maintenance of the mosque. That petition is not forthcoming in the file connected with the subject under discussion. Two other petitions received in the Dewan's office subsequently being reminders from the petitioners were forwarded to the Deputy Commissioner for disposal with reference to instructions given by the Dewan personally in the course of his inspection of the site in question during the month of May or June 1891. The Chief Sanyasarian's memorandum referred to above was forwarded to the Vice President Mr. J. Aghavendra Agh for report on the facts of the case together with the notes concerning the Dewan's order on the subject.

4. As the book in which the Dewan's order had been noted by Mr. M. M. Khan and Ali was not forthcoming in the Municipal office Mr. J.

Rajendra now delayed making
the report on the Lepthi Commission
reference and his successors also
failed bringing the matter to the
notice of the Lepthi Commission
up to date the Mahomedans who
allege to have interest in the Masjid
and its properties and who signed
a petition addressed to the Dewan on the
26th January 1892 state - "they
were in receipt of a monthly rent
of Rs 50 from the Cantt. and
its vicar - - - it contained,
that the Govt was entitled for the
expenses connected with the Masjid
and that in the acquisition of the
Cantt. and by Government they
were entitled to a portion of the income
and put to much inconvenience
and pain, therefore that a monthly
stipend of Rs 50 might be granted
in addition to a daily provision
of Rs 10 (or Rs 12) for feeding
its travellers.

5. The petitioners thus requested

stipend equal to Rs 600. a year in
 perpetuity which capitalized at
 4% represents 15000 Rupees. besides
 some rations while the value
 of the property acquired is only
 Rs 643 as per distrd Judge's award.
 The parties have failed to receive
 the amount awarded through copies
 to do so and the amount is
 reported to have been remitted
 from the Municipal Office to the
 distrd Judge's Court for payment
 to them.

6. In regard to the representation
 made by the diobandeen com-
 munity to the Dewan at the last
 Darsana assembly for ordering
 the restoration of the property ac-
 quired for the use of the mosque
 the Secretary/Engineer Mr. Standish
 Lee was consulted and he states
 that he has no objection to allow the
 Cart stand to remain as the
 property of the mosque on the
 condition that (1) the public ground
 between the Cart stand limits & the

new compound wall along Prince
Victor's road be paid for by the
Muslims together with the cost
of building the wall and (2) that
no building of small native houses,
horse stables or sheds be erected
on the grounds.

7. The owners of the Makkan were,
I understand, spoken to by Mr.
Shenoi Mahalinga while officiating
as Deputy Commissioner and that
an alternative proposal offered
in lieu of constructing terraced
bazaars was refused as also the
conditions mentioned by Mr.
Lee.

Under these circumstances
a final settlement could be
arrived at with the managers
of the mosque.
